

Detour directions to all our customers coming from the North: Chicago and surrounding areas and Dyer, St. John, Lowell, Crown Point, Munster, Highland and more:

There is going to be a detour and Route 2 will be closed again. If coming from the North you have 3 options.

1.) This would be the easiest route! Get off on Exit 247 which is 231 and take that thru Hebron and keep going south over the Kankakee River. Then exactly 3 miles past the river you will see our sign on the left and our banner on the right. Take a right and go just 1/2 mile and you will see our farm and sign on the left.

2.) You can also stay on I 65 and take it a few miles further to the Rt. 10 exit. Take Rt. 10 east to a big John Deere dealership--Castogna's on the corner. Take a left and go north about 4 miles to a four way stop. Just keep going straight north thru the little town of DeMotte and we are about 1 mile outside of town. Watch for sign on the right and turn left. Go just 1/2 mile and you will see our farm and sign on the left. You have arrived.

3.) If you live in Lowell you can still take Rt. 2 down to the Range Line County road past the new Gravel pit. Take it down to 1200 and take a left. Take that road straight east about 3-4 miles to a four way stop. There will be a Family Express gas station on the corner. Take a left and go straight north thru the big town of DeMotte and we are about 1 mile outside of town. Watch for sign on the right and turn left. Go just 1/2 mile and you will see our farm and sign on the left. You have arrived.
